

## Summerfield Primary School - Subject Action Plan for Physical Education - Spring 2017

**Description** - All year groups have at least 2 hours of timetabled PE. 'Better breaks' runs at lunchtimes where children have access to a range of outdoor activities. Year 5 and 6 children are actively involved in leadership at lunchtime, including refereeing games and leading all classes in a wide range of games and activities. We feel we have made good progress developing school sport this year, achieving the 'GOLD' Schools Games Mark. We offer a wide range of after school clubs, enabling a higher number of children to take part in school sports and competitions. We have taken part in many inter school competitions with successful outcomes and we have continued to hold intra school competitions across school. This year's school focus is reviewing the teaching and learning in curriculum PE.

No	Objective	Actions	Time scale	Responsible	Involved	Resources & support	Monitoring	Success Criteria
