

# Excellent Eagles - Year 6

## Vision Statement

In Year 6, we have agreed on the following 'vision statements' to help us succeed in an enthusiastic and enriched learning environment.

We will:

Be kind and **CARE** for others.

Always strive to reach our full **POTENTIAL**.

Show **RESPECT** towards everyone we meet.

Treat others as we expect to be treated ourselves.

Do tasks - first time, every time, all the time (showing 5).

Learn in an organised, clean and tidy classroom.

Give our classmates the opportunity to join in and listen to their opinions in a positive manner.

Be honest, trustworthy and use good manners.

Have a positive mind-set towards our learning and build on our mistakes.
