

Excellent Eagles - Year 6

Vision Statement

In Year 6, we have agreed on the following 'vision statements' to help us succeed in an enthusiastic and enriched learning environment.

We will:

Be kind and **CARE** for others.

Always strive to reach our full **POTENTIAL**.

Show **RESPECT** towards everyone we meet.

THINK before we speak.

Treat others as we expect to be treated ourselves.

Persevere with developing our 'bounce-back ability' (resilience).

Take a shared responsibility for our classroom, keeping it organised, clean and tidy.

Give our classmates the opportunity to join in and listen to their opinions in a positive manner.

Be honest, trustworthy and use good manners.

Have a growth mind-set towards our learning and build on our mistakes.

Live in the moment and enjoy our last year at Summerfield (mindfulness).
