

We are the  
Marvellous Magpies  
and this is our  
vision statement...

- We have a calm classroom.
- We have fun as we learn.
- We are all on time every day and come ready to learn.
- We always show a positive attitude and try our best.
- We do as we are asked the first time.
- We learn in a clean, organised and tidy classroom.
- We use our manners.
- We use kind words and are good friends to each other.
