

We are the  
Marvellous Magpies  
and this is our vision  
statement...

- We have a calm classroom.
- We have fun as we learn.
- We show respect to everyone in our classroom and school.
- We always show a positive attitude and try our best.
- We do as we are asked first time.
- We learn in an organised and tidy classroom.
- We use our manners and listen to each other.
- We use kind words and are good friends to each other.
